

Editorial

It gives me immense pleasure to place before you this issue of *Mapana Journal of Sciences*. This issue covers the areas of Graph Theory, Fluid Mechanics and Atmospheric Science.

We wish to announce to all the readers and well-wishers of this journal that from this issue onwards *Mapana Journal of Sciences* is becoming a refereed journal.

We thank all the authors and reviewers for their whole-hearted cooperation and support in making this issue a reality.

S. Pranesh

Executive Editor
